
Here's an Instant Activity for October 15, 2007

STRATEGY FOR SPELLING SUCCESS

For most learners, spelling well doesn't just happen. It is the result of a conscientious spelling and word-skill curriculum that:

1. provides a menu of skill-building activities that range in sophistication to teach critical concepts at a student's own level,
2. uses assessment to gather information to target word study to the specific words each student has not learned from among all previously introduced words in the program, as well as to identify skills not yet mastered,
3. equips teachers with guidelines for spelling expectations in everyday writing that increase as students develop as writers, making the classroom a rehearsal for real-world writing, *and*
4. proposes multiple opportunities to engage parents in their child's acquisition of spelling skills.

This Instant Activity helps teachers achieve item number 1 above—and item number 4, if the activity is assigned as homework.

Meeting state standards is a priority of the Sourcebook Series. Instant Activities further support skills and concepts reflected in state standards.

LEVEL OF DIFFICULTY

Approximately Grade 1

PURPOSE

To provide practice recognizing rhyming words.

Skills: rhyming words, visual skills, phonemic awareness

SUGGESTED USE

Use this Instant Activity with the readiness pages in the Level 1 Practice Book for Learning Spelling and Word Skills.

TEACHING DIRECTIONS

Say the word *cake*. Ask students to identify words that rhyme with *cake* (e.g., *bake*, *rake*, *snake*, *flake*, *Jake*). Next, hold up a picture or draw a picture of a house. Ask students to name a word that rhymes with the picture word (*mouse*).

Next, print the Instant Activity and distribute a copy to each student. Discuss the activity to ensure that students know what is expected. Then ask students to complete the activity at home or at school.

FOLLOW-UP

Review the Instant Activity with students. Ask students to predict the spellings of the picture words. Point out that not all rhyming words are spelled the same way (e.g., *train* and *plane*). Extend the activity by asking students to

name rhyming words for *sun*, *flower*, *mittens*, *boat*, and *lamp*.
