Here’s an Instant Activity for March 18, 2013

STRATEGY FOR SPELLING SUCCESS

For most learners, spelling well doesn’t just happen. It is the result of a conscientious spelling and word-skill curriculum that:

1. provides a menu of skill-building activities that range in sophistication to teach critical concepts at a student’s own level,
2. uses assessment to gather information to target word study to the specific words each student has not learned from among all previously introduced words in the program, as well as to identify skills not yet mastered,
3. equips teachers with guidelines for spelling expectations in everyday writing that increase as students develop as writers, making the classroom a rehearsal for real-world writing, and
4. proposes multiple opportunities to engage parents in their child’s acquisition of spelling skills.

This Instant Activity helps teachers achieve item number 1 above—and item number 4, if the activity is assigned as homework.

Meeting state standards is a priority of Sitton Spelling and Word Skills®. Instant Activities further support skills and concepts reflected in state standards.

LEVEL OF DIFFICULTY

Approximately Grade 3

PURPOSE

To provide practice with /k/ spelling patterns

Skills: spelling, phonics, /k/ spelling patterns, word analysis, vocabulary development

SUGGESTED USE

Use this Instant Activity with the Level 3 Sourcebook (2nd or 3rd Edition), Unit 23, Activities 2A and 2B, page 223.

TEACHING DIRECTIONS

Dictate these words for students to write: car, cake, pack, echo, quit, box. Ask students what all these words have in common (all contain /k/). Select students to write the words on the board and underline the letters spelling /k/. Remind students that frequent spelling patterns for /k/ are c, k, ck, and ch—and that qu spells /kw/ and x spells /ks/.

Next, have students find /k/-ending words spelled ck and k. Have them sort the words by the letters spelling /k/. Ask them to examine their words and explain in writing when a word ends in ck and when it ends in k. Conclude that /k/ at the end of a word is usually spelled ck when it follows a short vowel and spelled k when it does not follow a short vowel. Another frequent spelling pattern for /k/-ending words is long vowel-k-silent e. Have students find words with this spelling pattern. Tell students the k/ke and ck spelling patterns are reliable not only
for /k/-ending words, but can be applied to /k/ at the end of a syllable, as in chicken, token, market.

Print the Instant Activity and distribute a copy to each student. Discuss the activity to ensure that students know what is expected. Then ask them to complete it at home or at school.
